最低女神

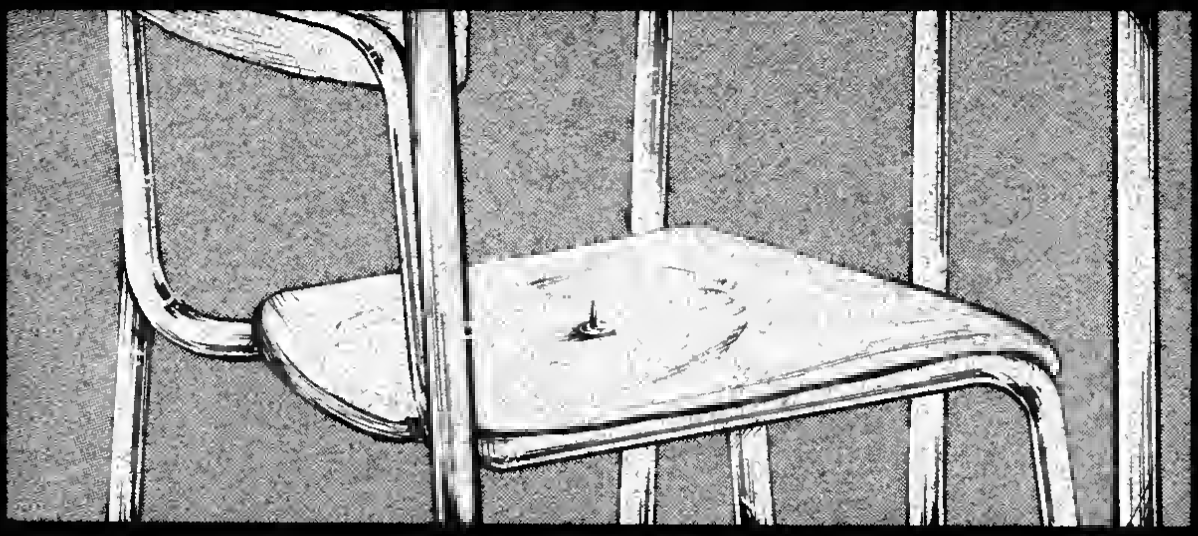
it's always the same dream.

Every time I have sleep paralysis,



A feeling like I'm being strangled by the neck...

A feeling like
my whole body is
being twisted
apart.

I remember
back to that.

You're by
yourself?

I felt like I saw a halo shining over her head.

Oogh...
Hah!
Hahh...
I'm still scared of other people, and stay shut in my house.
I've managed to make a living working from home.

It's been so many years, but...
Hadn't seen it in a while
But today... nothing's a hassle
There's shopping to do too.
then I'd better do some cleaning
I'll work until around noon.
My savior. My goddess.
It's all right... Hana-chan's coming today.
That inescapable truth has been etched into me.
I can't survive in a world without her in it.

Hey there,
Shino!
Ding-dong!
SHE'S HERE!

So sick of this suit. Can I change?
S-Sure!
No, it's not particularly amazing
Pretty amazing, secretarial work.

I love her, don't I?
Right now,
I feel like I could do anything.
It's fine by me.
Huh? No, I... I was just talking to myse—
Hm? Do you want to go out with me?

Come right in!
I went out to buy clothes.
I was thinking maybe I should start working outside the house.
Nice work out there.
Nngh... I'm exhausted.
You're wearing make-up?
Y... yeah.
See, look.
This company here...

You don't have to do that.

You're going to let other people disturb your peace of mind again?
You're better suited for quality instead of quantity in your friendships, Shino.
So, you can stay just the way you are.
Don't worry. I'm always here for you.

Well... I still remember what it said.

Geez!
Hana-chan...

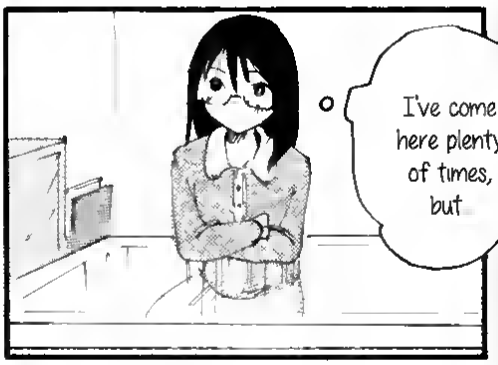
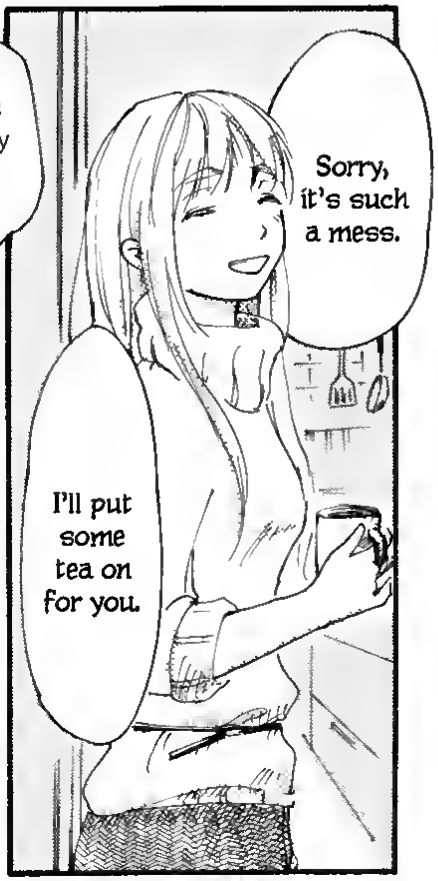
Pardon the intrusion!

Ooh!



I've come here plenty of times, but

this is my first time coming as her girlfriend



Sorry, it's such a mess.
I'll put some tea on for you.

WHY!?
HER NAME?

They're here...

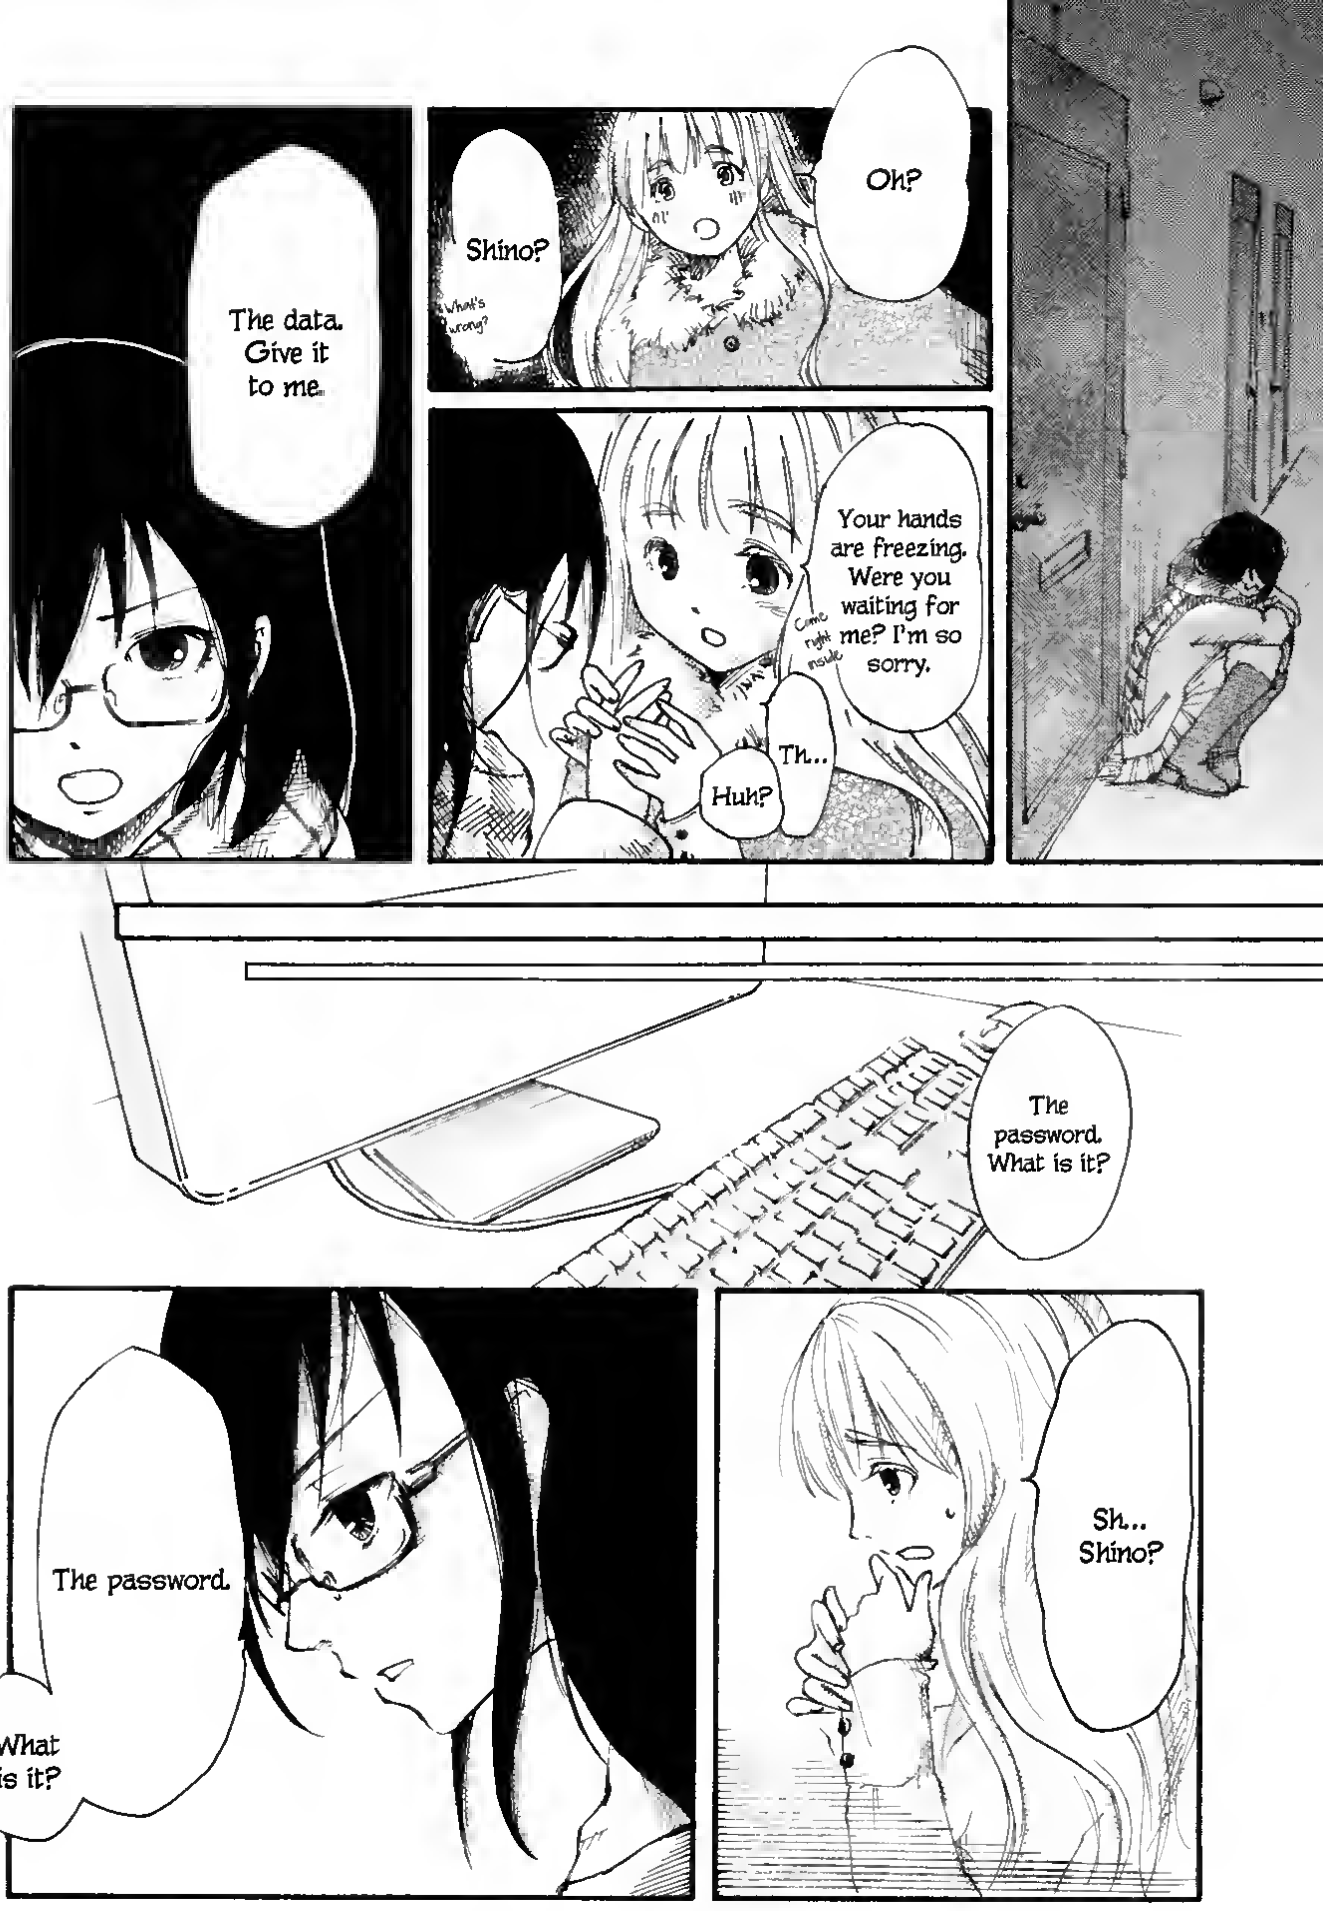
"Akatsuki Shino."
Do you remember her?

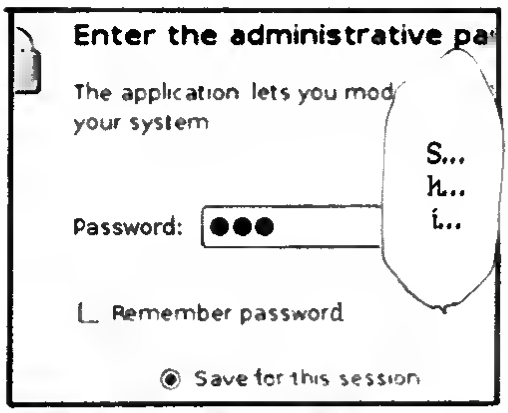
Hana, you...
You used to bully her.
W... Well, that was...
this time you're committing adultery?
I just happened to catch you again, but...
Anyway,
What?
Oh, no use. I've copied all the data.
RIP
...What do you want us to do?
It's a very simple request.
Go over to Akatsuki Shino's house.
Tear all those old wounds open again, whichever way you like.
Make it so she'll never think of setting foot outside her house again.
LAST TIME, IT WAS SHOPLIFTING, WASN'T IT?
Really takes me back!
Oh and of course, I've got you two, too.

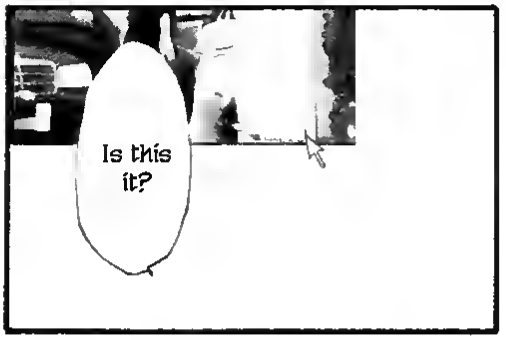


The data. Give it to me.
Shino?
What's wrong?
Oh?
Your hands are freezing. Were you waiting for me? I'm so sorry.
Come right inside.
Th...
Huh?
The password. What is it?
The password.
What is it?
Sh... Shino?

ding dong!

And... delete.



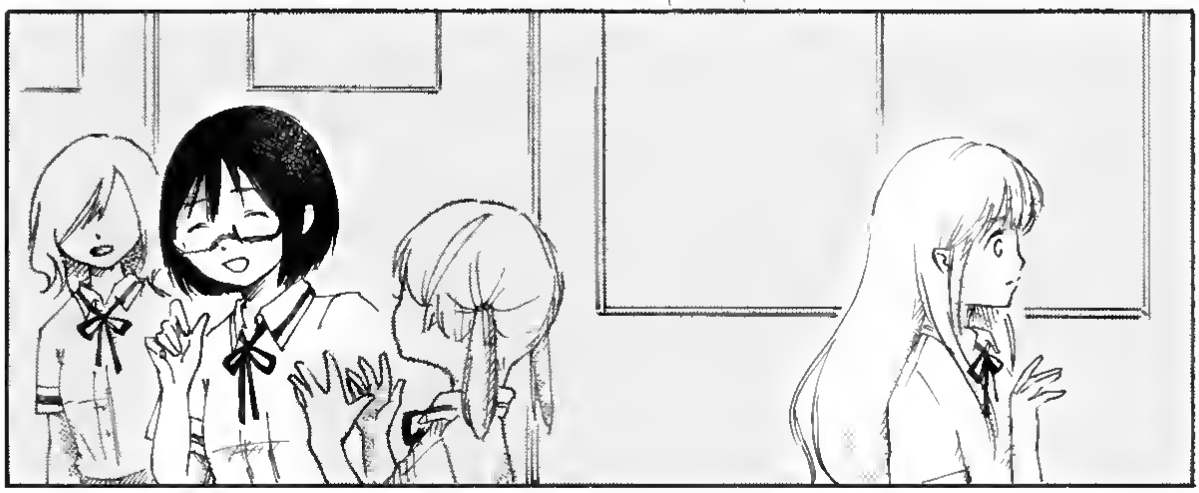


It was me who called you here, through Hana-chan's address.
I deleted everything she had on you three.
You can check for yourself if you want to be sure. I won't let her do something like this again.

You don't... remember, do you, Shino?
Ah... I was in the seat behind you. I heard everything.
Why would you do this?
Maybe... I should just drop out.
I stopped going to school.
There was nothing I wanted to do with myself, so I didn't see the point in even showing up.

After all, there almost...

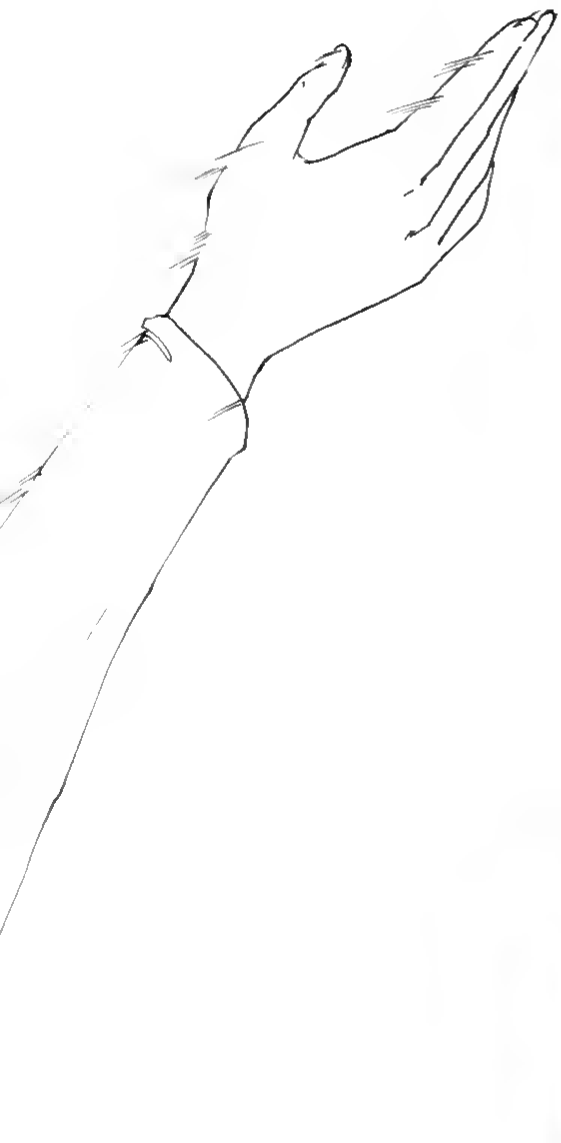
seemed to be a halo shining over her.



Shino always has many friends around her,

but I have no interest in becoming one of those.

You're... no goddess either.



You were all I had, Shino.

So I wanted you to look at only me too.

A... goddess, just for me.

!

I'm not... some great person like that.

And you, Hana...

No, you are!
You're amazing, Shino.
You've been...
playing me for a fool this entire
In an instant, you got me to go back to school.
and I never missed a single day.
Time after time, I would think of you...
I thought you would understand, Shino.
!

Ahh, man...
I do understand.
Maybe if she'd just never existed in this world...
Because I did the exact same thing.
I'd have been a lot happier after all.
